Performance quoted represents past performance, which is no guarantee of future results. Performance returns stated net of fees. Current performance may be lower or higher than the performance quoted. For up-to-date performance data, please call 800-869-1679. The investment return and the principal value of an investment will fluctuate and shares, when redeemed, may be worth more or less than their original cost. Returns are historical and include change in share price and reinvestment of all distributions. There is no guarantee that any investment objective will be achieved. An investor cannot invest directly in an index, and index performance does not reflect the deduction of fees, expenses or taxes. During the periods presented above, the Advisor waived fees and/or reimbursed expenses. Without this arrangement, performance would be lower.
